

PAEDIATRIC FIRST AID

Eden Training Academy
Online Training

A first-aider must have an appropriate first-aid qualification and the qualification must be appropriate to the ages of the children in their care. Our paediatric first aid e-learning course gives learners the opportunity to undertake online paediatric first-aid training which forms part of the requirements needed for learners to go onto achieve the Highfield Level 3 Award in Paediatric First Aid (RQF).

Areas covered

- Roles and responsibilities of a paediatric first-aider
- Assessing an emergency situation
- Providing first aid to an infant or child who is unresponsive, choking or has external bleeding
- Providing first aid to an infant or a child with a suspected bone fracture or dislocation; head, neck or back injury
- An infant or a child with a condition that affects the ears, eyes and nose; burns or scalds; an acute medical condition or sudden illness; a minor injury; shock
- An infant or a child experiencing the effects of extreme heat or cold
- An infant or child who has sustained an electric shock or been poisoned
- Providing first aid to an infant or child with anaphylaxis

Who is it aimed at?

Anyone looking after infants and children such as carers, childminders and schools.
