

# LEVEL 3 HEALTH AND SAFETY

Eden Training Academy  
Online Training

Designed to provide a wide-ranging level of knowledge around health and safety, this e-learning course covers health and safety law, the hazards present in a workplace and how to implement effective and necessary controls. At the end of the course learners will have the knowledge and skills to effectively supervise staff.

Comprising of 11 modules the course covers the key syllabus of level 3 health and safety qualifications, and provides the knowledge a learner requires to go on to achieve a recognised qualification.

## Areas covered

- Introduction to health and safety
- Accidents, injuries and work-related health
- Legal aspects of health and safety
- Risk assessment
- Hazardous substances (COSHH)
- The workplace
- Using equipment safely
- Fire safety
- Ergonomics, manual handling and display screen equipment
- Measuring and monitoring performance
- The role of line managers and supervisors

## Who is it aimed at?

Ideal for supervisors or managers with health and safety duties, or anyone looking to go on to achieve a level 3 health and safety qualification. The course may also be used as part of the on-programme element of the new apprenticeship standards, supporting the knowledge, skills and behaviours apprentices need to effectively integrate into the workplace.
