

# Display Screen Equipment (DSE)

Eden Training Academy  
Online Training

The Display Screen Equipment (DSE) Short Course is designed to ensure that users of DSE set up their work stations effectively and ergonomically, avoiding the health risks associated with their use.

Learners undertaking this course will learn what DSE is, the health risks associated with its use, how to use DSE appropriately and the importance of correct posture and regular breaks. Finally, the course will outline the kind of support employers should provide for users of DSE at work.

## Areas covered

- What is DSE?
- DSE health risks
- Workstation design
- Correct working position for DSE
- Portable equipment
- Identifying risks and safe working practices
- Eye tests and eye wear
- Assessing DSE

## Who is it aimed at?

Any employee or manager who works with display screen equipment, such as display screens, laptops, touchscreens and other similar devices.

This course can be used as a stand-alone module or included in an induction programme. It may also be useful as part of the on-programme phase of the new apprenticeship standards, helping apprentices integrate into the workforce effectively and efficiently.
