

Understanding Stewarding at Spectator Events

Eden Training Academy
Online Training

The content of this course perfectly matches the knowledge components syllabus of the Level 2 Award in Understanding Stewarding at Spectator Events (RQF). The course may also be used to underpin the knowledge required of the level 2 NVQ certificate in spectator safety qualification.

Areas covered

- Prepare for spectator events
- Control the entry, exit and movement of people at spectator events
- Monitoring spectators and dealing with crowd problems
- Dealing with accidents and emergencies

Who is it aimed at?

The course is useful for anyone looking to work as a steward at spectator events. It may be particularly useful for learners looking to gain a recognised level 2 qualification in spectator safety.
